BOARD O'TRADE THIS EVENING

The May meeting of the Board of Trade will be held this evening in the council chamber of the town hall at 8 o'clock and according to notices sent out will be one of great interest to every member and to every citizen of the town. One of the most important matters which will be discussed is the question, "What should the borough limits be?" There is a wealth of territory surrounding Monessen that presents a fertile field for settlement for homes and should these sections be admitted and given the same improvements, protection and advantages as is received by the people now in the borough there seems to be no doubt in the minds of a great many that the districts would be settled rapidly. McMahan is soon to be admitted, an annexation ordinance having passed the council of that place and a conference having been held with a committee from the local council. Wireton has been talked of as a part of Monessen as has also East Monessen or Dutchtown, as it is more familiarly known.

An investigation into the present laws regarding the humane treatment of animals was assigned to C. L. Schuck and his findings will be reported at the meeting. It is urged that all those who have not received their membership cards, do so as soon as possible. 92 have been issued so far.

UNSEATED PROPERTIES MUST BRING TAXES DUE

Court Commissioners W. D. Reamer and George Brechbill, neatly nipped in the bud a scheme of a number of speculators to buy in at trifling bids properties which were offered for sale at the Commissioner's sale for Unseated Lands, which are now going on in the courthouse at Greensburg. Properties with back taxes ranging form $100 to $200 and several as high as $1,000 were being sold yesterday at sums ranging from $1 up to $10.

When this was learned by the Commissioners, they held a conference with their attorney, D. C. Ogden and it was decided to make every property pay out the full amount of the back taxes. There are about 3,600 pieces of property of this kind included in the sale which is in charge of Attorney Curtis Ankney.

One of the biggest sales ever held in Monessen is Janavitz stock reducing sale. Bargains from one end of the store to the other. 93-3t

Services were held last evening over the remains of the late C. M. Derickson, at the home on McKee avenue. At 7:45 the Elks conducted a brief service followed by Rev. MacDonald. The floral tributes were profuse, contributed by fraternal societies and friends. The remains were shipped on the early morning train to Mercer, the former home of the family where interment took place this afternoon. Those who accompanied were Mr. and Mrs. W. S. Bumbaugh, Mr. and Mrs. A. N. Shuster, Mr. and Mrs. J. H. Watt, Mr. and Mrs. E. M. Frye, Mr. and Mrs. C. W. Greer, Mr. and Mrs. B. E. Brown and Mr. and Mrs. G. F. Wright and Rev. MacDonald. MONESSEN PLANNING FOR ANOTHER BIG FOURTH O' JULY --HEADS OF COMMITTEES

A meeting was held yesterday afternoon in the office of the Motz Lumber Co. to take steps looking towad the observance of the Fourth of July and considerable progress was made, there being quite a goodly attendance of the representive and progressive men of the town. Burgess Daniel Reamer was made permanent chairman in the stead of E. C. Sattley who found it impossible to serve.

The heads of committees to make arrangements for the day's entertainment, were chosen as follows:

Executive—Wayne Hancock was put on instead of Ralph Thatcher and the name of Capt. E. A. Wells was added.
Finance—Alfred Tanzer
Advertising—H. Dallas McCabe
Parade—Capt. E A. Wells
Decoration—Phil. Joseph
Fireworks—C. F. Mentzer
Sports—Wayne Hancock
Speaking—E. C. Sattley
Music—J. C. F. Motz

This about completed the work of yesterday's conference and another meeting will be arranged soon, at which as many as can, will be invited to be present.

The sense of the people seems to tend toward observing the day some thing after the manner of the past two years, and each nationality or society in the town will likely be requested to do and add in whatever way they deem best to the program and success of the day's observance.

The heads of committees as named above will be expected to select their own aids or make up their working forces as they think best.

An elegant program will be made up covering the entre day and evening embracing music, speaking, sports of every description, fire works and a fine parade, and entertainment suited to the taste of everyone will be furnished in order to make Monessen a central point for people to spend the day.

ODDITY OF JAMIESONS' RAILROAD TICKETS

A great deal of comment has been aroused over the length and number of parts of the tickets being used by two local people, Rev. and Mrs. J. M. Jamieson who left on Wednesday morning to attend the meeting of the General Assembly of the United Presbyterian church which will convene in Seattle, Wash., next week. The tickets are 43 inches in length, longer than the ordinary six year old child is tall, and are so bulky that one is in little danger of misplacing them on the person without remembering the exact spot in which they are to be located. The party will travel over many different railway lines and via boat in several instances. The ticket has 14 coupons, one for each division traveled over and costs $86 or at the rate of $2 for every inch.

THE UNWRITTEN LAW OF YE ACTOR FOLK

At Winnipeg, Minn., yesterday, Warren Conlon, playing a leading role at the Orpheum theatre dropped dead on the stage, but the unwritten law of play-folk that "the show must go on," was carried out so successfully and quietly that scarcely any one in the audience knew that a real tragedy had occurred. Conlon, who was playing the part of an aged business man, was sitting in a curtained office at the rear of the stage. As the leading lady drew aside the curtain at the usual point in the play, Conlon toppled from his chair. The other three players on the stage proceeded with their lines as if nothing was wrong and a few minutes later the play ended.

WOMAN PUTS UP STIFF FIGHT

Considerable interest centered around a hearing which was held this morning before Burgess Daniel Reamer when Mrs. Peter Kavinski of 130 Third street, charged with disorderly conduct and several other things not mentioned in police court circles because they happen so far between, was led before the bar of justice. Mrs. Kavinski and her husband are the original "soulmates," everytime hubby gets a drink down street he alleges he buys his wife a half pint of whiskey and hands it over when he arrives home. Yesterday at noon, so neighbors say, one of these presentations occurred and it was not long before Mrs. Pete came out on the war path and started a turmoil by throwing bricks in every direction and after getting tired of that, took well directed aim at Mike Kuschinski and guided a brick staight to the bridge of her victim's nose, causing a painful and rather serious injury. Other people were attacked in the same manner and the police were called.

It took from 5:30 until 7 o'clock last evening for Chief Wheatley, Lieutenant Entinger and Officer Lang to subdue Mrs. Kavinski and get her to a cell in the jail. While the officers were endeavoring to pacify the woman she managed to tear off every stitch of her clothing thinking perhaps they would not arrest her. This action proved futile however for a blanket was placed over her nude body and she was given free lodging for the night and a chance to think over her movements of the preceding hours.

One of the most puzzling of all the perverse traits of human nature is the sympathy extended to perpetrators of the most atrocious crimes. One can understand and even approve popular good will toward such gallant outlaws as Robin Hood, and not a few highwaymen, prototypes of many a hero of fiction and of legend, have deserved an honorable fame as breakers of unjust laws.

But human nature as it finds expression in the average man and woman cannot but revolt at the very thought of heaping with flowers the cell of so despicable a wretch as the murderer of poor Avis Linnell. Richeson, posing as a holy man of God, proved himself to be in reality as fit a disciple of the devil as all the annals of baseness and of crime have made infamous. Not content with betraying the country girl who trusted him, the double dastard sent her poison in the guise of medicine because the discovery of what he had been guilty of meant his final disgrace and because she stood between him and his marriage with another woman who could bring him both wealth and position. It was a crime that almost passes belief as it does utterly pass human understanding

The man is under sentence of death, his life to pay on next Monday morning for the young life that he took after disgracing the poor girl, and the usual pleas for mecry have been dinned into the ears of those who have the power to pardon. It is the duty of his counsel to try to get him off, and it is right and proper for the Governor of Massachusetts to give them a hearing. But if on any plea he should escape his just doom, justice will be blocked in her very temple and another link added to the chain of encouragement for others to follow in his wake and do as he had done. The Pit yawns for him. Let him die is the demand of justice.

MAY PROVE FATAL

When Will Monessen People Learn the Importance of It?

Backache is only a simple thing at first;
But when you know 'tis from the kidneys;
That serious kidney troubles follow;
That Bright's disease may be the fatal end,
You will gladly profit by the following experience.
'Tis the statement of a Monessen citizen.

Mrs. M. W. Cheesebrough, 941 Donner avenue, Monessen, Pa., says: "We have used Doan's Kidney Pills in our family with excellent results in cases of kidney troube. Last spring I was suffering from pain in my back and a weakness of the kidney. I announced taking Doan's Kidney Pills and in a short time they completely cured me. This remedy is worthy of all the praise given it."

ALLEGED BLACKHAND CASE WAS SETTLED

Among the cases tried yesterday in the Criminal court in Greensburg was that of Tony Garfalo who as a result of alleged differences over the purchase of articles in the store of Martin Serino here on February 12, shot Serino five time in the leg. Garfalo, along with two other Italians was arrested charged with felonious shooting. At the time it was thought that the case was one in which the Black Hand might play a prominent part, Judge McConnell sentenced Garfalo to pay the costs of the case, a fine of $1 and to serve a sentence of six months in the workhouse.

Among the other cases of local interest was that of William Able of Charleroi and Samuel Friedman of Pricedale who were charged with stealing copper wire from Mine No. 4 at Pricedale.

The case was prosecuted by the Pittsburgh Coal Company and the prisoners were found guilty. Charles Hall of Canonsburg was also found guilty in connection with the same case.

FRANCHISE GRANTED TO STREET RAILWAY

At the meeting of the Bentleyville council Wednesday evening an ordinance was passed granting a franchise to the Monongahela, Ellsworth and Washington Street Railway company. At the same meeting the ordinance providing for a franchise for the West Penn company was laid on the table.

The franchise granted by council provides for right of way for the M. E. & W. road over the main street of Bentleyville. Cars must be running within two years in Bentleyville and between Monongahela and Bentleyville within four years. The company posted $1,000 with the borough clerk to assure the faithful performance of its part of the contract.

It is generally believed hereabouts that the prospects for the completion of the road are good. The backing of the company is hard at work and declare they will continue to keep things moving until the river and the county seat are connected by a direct trolley line.

TINPLATE'S NEW MILL AT MORGANTOWN

The Pittsburgh Sheet and Tin Plate company's new plant to be located in Morgantown, W. Va., was granted a charter by the secretary of state a few days ago. The authorized capital of the company is $1,000,000, equally divided into common and preferred stock. The incorporators are Harry T. Duke, John H. Salvador and Ernest E. Conrad, of Philadelphia, George C. Sturgiss, of Morgantown; and Lakin C. Taylor, of Cambridge, Ohio. Just as soon as possible these men will meet and organize, but on account of the wide separation of location of the individual incorporators, the time of the meeting is yet uncertain. This is one of many enterprises which have been gotten for Morgantown through the efforts of the Board of Trade there, and another encouragement held out to the incorporators was the appropriating by the county of $10,000 to be used in paving a strip of road more than two miles in length leading to the site of the proposed plant. Only another little instance of where a town can benefit itself vastly by holding out a little inducement.

PUBLIC DEMONSTRATION OF STERILIZER

Messrs. J. W. Reeves and R. E. Freese, representing the popular and practical Montanye Sterilizer, cooler and filter, today and tomorrow will give free demonstrations at the office of the Monessen Plumbing & Electric Co., corner of Donner avenue and Sixth street, and more particularly this Friday and Saturday evenings are the people of Monessen invited to call, see the practical demonstrations and learn of the good features for themselves. Montayne's Sterilizer, cooler and filter is the only device that filters, cools and actually sterilizes the water in one operation, no matter how contaminated it may be. The Morning Herald of Uniontown has the following to say of it. "Large crowds witnessed the demonstrations of the Montayne water coolers given by Councilman Harry L. Byrd at 7 South Fayette street Saturday night. Four policemen were necessary to take care of the crowds. The water cooler is considered by all who saw it, a big success."

We are informed that George Stahlnecker of McKee avenue, is a stockholder in the Water Sterilizer & Filter Co. of Johnstorn that manufactures these sterilizers, and he having used one in his home several years, is most enthusiastic over their real worth, these demonstrations are really worth seeing, and the Monessen Plumbing & Electric Co. will welcome every one to see and know what this sterilizer is. It's just what is greatly needed along this great Monongahela valley where water drawn from streams needs purifying most.

Stole an Automobile

One is compelled to delve into the legendary career of Robin Hood to find an equal to the courteous highwayman of Youngstown, O., who stole a brand new E. M. F. "30" that had been left in front of its owner's place of business. The thief drove the car part of one day and the following evening. When he got through with it, he left the following unsigned note pinned to the seat:

"This is a d—fine car. Pulled a load of coal out of the mud and would have returned the car if the gasoline had not run out. Many thanks just the same Good luck."

The note and the incident of the alleged coal wagon have given the Youngstown police a clue. They are now interviewing coal-wagon drivers to find out the identity of the surpassingly polite man who pulled one of them out of distress with an E. M. F. "30" motor car.

A GREAT FEATURE ACT ON AT THE STAR

The Morton Jewell Troupe was the feature last night at the Star theatre and their act is one to surely win favor among so quick and capable discerning people as patronize this house. Their number is in a class distinctly by itself, as nothing has ever appeared in the town its equal. The stage paraphernalia and sitting is unique and attractive, their singing is fine, costuming perfect and their juggling last night with Indian clubs was of the seeming impossible class. The audiences sat in wonderment as they went through the lightning like evolutions, five at one time in a whirlwind interchange of the clubs at the same time singing in perfect harmony. Jack Lewis, the German Senator has an entirely new line. New and original and of the sort to keep the audience in an uproar of laughter, and his excentric makup and facial expression and grimaces keep one laughing, if he never says a word.

Ada Carlton, as the "Dainty Little Fashion Plate," has a very sweet voice, her songs are of the latest and her at-home like manner of presenting them at once wins her a favorable spot in the hearts of her hearers. Her costumes are exceptionally neat and attractive and the changes are made without causing a wait. H. C. Reiff, the illustrated song man, has a strong, voluminous voice and his work brings back to memory the old times when "Mac" gave us illustrated song for beakfast, dinner and supper. The motion pictures are fine, as usual.

"YOU LOOK SO WELL"

Just say that to a woman and see her eyes sparkle with pleasure. She knows there is no beauty like the beauty of health.

Unfortunately, at this time of year so many women are in a weakened, run-down condition that there are few to whom one can say it.

Mrs. C. Langan, 1954 Anthony ave., New York City, says in a letter: "My health began to run down two years ago, and from that time till last April was in a badly weakened condition with little energy and poor appetite. Having heard so much about Vinol I began it and already I have improved so much that all my friends notice a great difference. I have entirely recovered my former strength —thanks to Vinol."

This delicious cod liver and iron remedy without oil, is of the greatest value in creating strength, restoring appetite and building up the body. Pale, sickly women, overworked men, feeble old folks and delicate children all need it, and we positively guarantee Vinol to give satisfaction. Hirsch Drug Co., Monessen, Pa.
